Welcome NEMCI & A Students 2009!

On behalf of your Board of Directors, it is my honor and privilege to welcome you to the 35th Institute and 32nd Academy session of the New England Municipal Clerks' Institute and Academy.

This year's NEMCI & A will be held at the campus of Plymouth State University in Plymouth, New Hampshire. Plymouth is a beautiful campus within a beautiful region of New Hampshire.

The Board and Instructors have been working very hard to develop and present a program that is not only educational but interesting and challenging. At the IIMC Conference in Chicago this year IIMC's Executive Director, Chris Shalby, presented us with the original of the "Acknowledgement of Status – New England Municipal Clerks' Institute and Academy" which officially designated our program as equivalent to a university sponsored program and "bestows all the rights and credentials of any other university sponsored program registered with IIMC." We sincerely thank those who worked so hard to make this happen! It has been a very long time coming!

On behalf of the Board, thank you for joining us. We are looking forward to a fantastic year. Contact information for the Board has been included should you have any questions the packet does not answer.

Sincerely,
